Free WiFi is available in all public areas of the building. Hostel guests can sign in to the UW Residence Network to access the internet at any time. Please note that this network is not set up in the suites themselves.

LOCATION:

Below is a link to our Venue Map. If you can't open it, you can look up the location of the hostel on any Google Map. It is just a block west on Portage Avenue from the U of Winnipeg. The Elements Café is right next door in their new science building.

It is not as centrally located as the wonderful Red River College that we had access to last year, but that was too good to last. RRC is completely booked this summer with RRC student groups and conferences. And while the rate that the U of W Hostel is able to give us is a little more than the RRC charged last year, the linens and cleaning are all included in the price, while they were additional at RRC.

SOUND INTERESTING?

For those who would like a bit more private space than billeting offers, this is a very affordable option, and it is still remarkably close to the Fringe, especially the venues a little west of Market Square.

Here is the link to the U of W Hostel website for more information about booking.

I have been speaking with Caitlin, and sent her a list of our touring companies. If you decide that this is for you and you have applied for billeting, **PLEASE LET ME KNOW** (Kari Hagness: performers@winnipegfringe.com), so I can adjust my billeting application list. Even if you have already heard from me about a billeter placement and you have second thoughts because this sounds attractive, please let your billeter and I know as soon as possible so I can make those adjustments.
