ABOUT

Unreal: A Mindreading Experience is an immersive and captivating show where the boundaries of reality are pushed to their limits. Using psychological manipulation, intuition and audience participation, Winnipeg's very own mentalist Brian Arthur delves into the depths of the human mind, leaving audiences spellbound every step of the way.

Each performance is a unique journey into our minds, where thoughts are seemingly plucked from the air. From predicting future events to uncovering hidden memories, Unreal transcends the ordinary, offering a mind-bending experience that challenges perceptions and leaves audiences questioning what is truly possible. Prepare to be amazed, astonished and utterly captivated by the mind of Brian Arthur.
