

A One Human Being, Potentially Comedic Performance of...

The Nightmare Before Christmas

A parody musical written & performed by **Alli Perlov**

July 17th-28th as part of the 2024 Winnipeg Fringe Festival

Venue # 5: Son of Warehouse

“It is funny, as Alli is affable, charming and full of beans” – 4 Stars Winnipeg Free Press, 2023

Some teachers take the summer off to recharge, while others mount a one-person Fringe festival show. In a similar approach to her 2018/2023 show, Perlov tackles her favourite film of all time in, *“A One Human Being Potentially Comedic Performance of The Nightmare Before Christmas”*. Local performing arts teacher Alli Perlov aims to leave the audience in stitches as she performs dozens of creepy characters from the iconic 1993 Tim Burton stop-motion film.

In a musical parody full of charm and can-do spirit, Perlov tackles the task of making “try-hard” a compliment. Condensing the score to 50 minutes of music, and weaved with narrative, critiques and silly puns, everyone in the theatre is guaranteed a good time and a load of laughs.
