Who is Yanomi?

Shoshinz is one of the most renowned comedy acts in Japan, regularly performing in Tokyo, North America, and many countries. Yanomi started Shoshinz and has created her unique shows since 2005. Her delicate yet powerful demeanor will lure you in, and then it will bend your mind with brilliant original puppets, their acts, and beautiful stories.

Show Description

Award-winning one-woman puppetry show all the way from Tokyo, Japan. **It won the Producer's Choice ENCORE! award in Cincy Fringe 2023 with an additional performance given to a full house standing ovation.**

'...that's like watching a Pixar animated short come to life.'
- Orlando Sentinel

Some short stories with the brilliant characters. All puppets are created and operated by Yanomi Shoshinz, one of the Fringe favorites in North America since 2007. It also won GRAND PRIZE from Sugunami Theatre Festival 2024 in Tokyo.

'Shoshinz uncovers universal truths. She has your full attention. The time flies by, so I was surprised it was over.' - League of Cincinnati Theatres
