# BARRY POTTER

AND THE MAGIC OF WIZARDRY

**Potter, Parody, & Prestidigitation!**

Marvel at spellbinding sorcery with the world's only Harry Potter parody magic show! Character comedian and magician Tim Motley (Australia) is returning with this jolly wizarding adventure in Winnipeg after a completely sold out month in Edinburgh 2023 at the world's largest Fringe Festival. Tim's won 20 Fringe Festival awards, including the Magic award at Adelaide Fringe Festival (the world's second largest) for this show.

This is a chance for fans young and old to experience live magic in a familiar context. The show is presented as an autobiographical story-telling show by fictional character "Barry Potter", recounting his glory days as a young evil wizard hunter. Experience the wonder of world-class wizardry in a realm of messenger owls, robed wizards, and flying broomsticks!

Tim Motley has performed professionally in 50 countries as a comedian, mentalist, magician, actor, radio show host, improviser, busker, and variety performer. He has created and toured internationally 11 solo shows and 3 cast shows to date. Though he is best known for his film-noir themed adult magic shows, here he dives into a new genre and a new demographic with this fantasy satire of a certain wizarding world.
