

TBA Productions is presenting Later That Night

This is the newest play by local playwright Liz Farler and features the talented multigenerational cast of Hannon Bell, Leslie Boardman, Kyle Boch, Alyssa Pruden, Brian Hood, and Crystal Hood.

This comedy is a fun filled head scratcher of a cast party that is not quite what it seems. This is your opportunity to see how actors behave after the lights are turned off.

You can see these 60 minutes of fun at Venue 1 John Hirsch Mainstage. Tickets are \$14
